

God Talks to Us

When we pray, we talk to God. We close our eyes so that we can focus on Him. We fold our hands so that they don't distract us. We bow our heads to show reverence to Him. But does God talk to us?

YES! God talks to us through the Bible. God inspired men to write down His words, and He gives this to us as a gift. So we can see what God wants us to know by reading our Bibles.

The Bible tells us that the most important man that lived was Jesus. He was the most important because He was God. When we look at His life, God talks to us about who He is.

God also talks to us through His Spirit. The Holy Spirit helps us to feel bad when we do bad things, and know when we are supposed to do good things.

It is exciting that God chooses to talk to us!
