

God Sent His Son

God gave us the Bible. He didn't just give it to us so that we would know what to do; He gave it to us so that we would know more about Him.

The Bible is about who God is. In the beginning, He reveals Himself as the creator. In the Old Testament, He continually shows us that He is in control of all things. In the New Testament, He reveals Himself as the redeemer of all things. All of the stories are about God.

In one story, Jesus is walking with His disciples, and they ask Him to show them the Father. And Jesus replies to them, *I and my Father are one*. In this, Jesus is telling the disciples that the God who led them out of Egypt and through the desert, the God who gave them the land of Canaan, and the God who came to earth in the form of Jesus are one in the same.

So when we learn about Jesus, we are learning about God. The love of Jesus is the love of God. The power of God is the power of Jesus.
