## God is Holy

We sing that God is holy, we hear the pastor say that God is holy, but what does it mean to be holy?

In the Bible, God gave Isaiah a vision. In this vision, Isaiah saw angels surrounding a throne, and on that throne sat God. The angels were singing to God and covering their face before Him. Isaiah was afraid, because his vision showed that even the angels can't look at God.

When Moses was on the mountain with God, His face was shining bright. This brightness was a reflection of God's holiness.

Holiness is much more than just angels and shining lights. When we say God is holy, we mean He never sins. He is ALWAYS good. He is so good that we cannot approach Him.

But God wants us to come to Him, so He sent Jesus. Jesus died on the cross so that we CAN come to God.
