
God has many names

I have a name and so do you. Our names were given to us by our parents when we were born. God has many names. His names tell about who He is.

One day Moses was watching his sheep. All of a sudden, he saw a bush on fire. This bush kept burning, but it did not burn up. When Moses got close to the bush, it began to talk to him. It told him to go rescue the people from Egypt. Moses was confused; he asked God who he should say sent him. My name is I AM.

I AM seems like a strange name, but it summed up who God is. I AM means He has always been; it means no one made Him, or named Him. His name sums up all the things that we learned about Him: He is holy, He is almighty, and He is faithful.

When God came down to earth His name was Jesus. It is the name above all names. The name Jesus lets us know that God is our savior.
