

God made ALL THINGS good

Look around. The world is full of wonderful things. There are birds gliding through the bright blue sky. There are huge mountains covered in snow all summer. And at night the stars come out and sparkle in the sky.

But there was a time when none of this existed. The earth was covered in total darkness. There was only one thing in the world: God, the great I AM.

God created the world. He simply said, 'Let there be light,' and there was. In six days He created all of the things that we see. And on the sixth day He created people. God created the world for people to live in.

When God created the world, He created it for us to experience. It says that He made trees that were pleasing to see, and food that tasted good. God created our senses: sight, taste, touch, hearing, and smell, and He created a world to sense. When He was finished creating, He declared everything to be good.

Discussion Questions

1. What is your favorite thing to see in God's creation?
2. How did God create the world?
3. Why did God's name help him not to be afraid?

Memory Verse

In the beginning, God created the heavens and the earth. The earth was without form and void, and darkness was over the face of the deep. |

Genesis 1.1-2
