

God made All Things for His PRAISE

God did not have to make the world. God did not need friends or helpers. God made us because He wanted to. He made us for His praise.

Our God is very great, and all of the things that He made praise Him for His greatness. All things praise Him by showing how great He is.

The fact that the sun comes up every morning to give us light shows us how much God is in control. The pretty little flowers show us how beautiful and intricate God is. A big storm shows us how powerful God is.

When we see these things, we should praise God. We praise Him by recognizing who He is. When we see the sun, we should praise God for keeping the universe in order. When we see pretty flowers, we remember that He knows how many hairs we have on our head. When we sit inside hiding from the thunder and lightning, we praise Him for how great He is. **OUR GOD IS GREAT AND WORTHY OF PRAISE!**
