
Jesus Showed His Glory

Jesus is full of glory. We talk about His glory a lot. We see His glory through His actions and His words written in the Bible. But the disciples actually got to SEE His glory.

Jesus took three of His disciples up on a mountain to pray. When they looked at Jesus, He was shining brightly. He was the same person that they had gone up on the mountain with, but His glory had become visible. The disciples were scared of Him.

All of a sudden, Jesus was talking with two men who were also bright. So bright that the disciples had to shield their eyes. These two men were Moses and Elijah. They had come from heaven to talk to Jesus.

Suddenly a cloud covered them. And in the cloud they heard the voice of God telling them, 'This is My Son, listen to Him.'

We do not get to see the fullness of God's glory like the disciples did. But some day we will. Some day we will see the glory of Jesus in all of its wonderful splendor.
