### Jesus Lives Again

When Jesus died, the disciples were very sad. They had been following Him and listening to His teaching. They were ready for Him to redeem the world and become king. Now He was dead.

They buried Jesus in a cave called a tomb. The tomb was sealed with a big rock. The rock was so big that no man could move it on their own. The Romans put soldiers in front of the tomb because they didn't want anyone to come and steal the body. The guards just sat there and made sure no did anything to the tomb.

They sat their Friday night, ALL day Saturday, and were still there when the sun came up Sunday. But it just kept getting brighter until they could barely see. It was an angel. The soldiers were so scared, they ran away.

When the women came to put spices on the body, they found that the stone had been moved. They thought someone had stolen the body. But when they looked inside there was an angel there. He told them that Jesus was alive again. They were so happy they went and told Jesus disciples the good news. Jesus was no longer dead. HE LIVES!
